VOLUNTEER CLASS REGISTRATION – Sessions 1 and 2, 2020

Session 1: 2/2/2020 – 3/28/2020

Session 2: 3/29/2020 – 5/23/2020

1. **New Volunteers, and Volunteers who did not volunteer in 2019, need to complete a “New Volunteer Application” and attend mandatory volunteer training in order to volunteer in 2020. Volunteers who volunteered in 2019 (or who attended the Mandatory Volunteer training) only need to complete a 2020 Volunteer Renewal Form.**
2. All volunteers must go through a background check through VERIFIED VOLUNTEERS. If you have not done so, please go to the website and see the information on obtaining a background check. Providing our clients with a safe and secure facility is a priority for CTRH, and this is a 2019 board policy.
3. You may sign up for your classes for the entire year! – please check the box labeled entire year above the class times below and you will be registered as a volunteer for that class for the entire year. If you prefer to sign up by two session increments, you can choose that option.
2. Current Volunteers use this form and register by fax, mail, email, or in person.
3. **Please review the Weekly Class Schedule and Session Dates** and indicate below the class(es) for which you are volunteering. Volunteer positions are filled on a first come, first served basis; and need is dependent upon the number of riders signed up. **Please complete this first page, and return it to CTRH.**
4. About two weeks prior to the date the Session begins, we will send you a confirmation email with the classes in which we need your help based upon Rider needs and the classes you chose.
5. If you are unable to make a class, please contact the Volunteer Coordinator at CTRH as soon as possible to allow time for a substitute to be found. Also, please be sure to review our weather cancellation policy.

Recreational Riding: Adaptive Recreational Riding is taught in group riding lessons. Each class of two to five riders is taught by instructors certified by PATH, Intl. Each rider has a volunteer horse leader and up to two volunteer side walkers.

Intermediate Riding: Intermediate Riding is for Adaptive Recreational riders who are able to rein, circle and halt their horses without assistance. Each class of two to five riders is taught by instructors certified by PATH, Intl. Each rider has a volunteer horse leader to assist. Intermediate riding has more trotting. Typically, there are no side walkers.

Hippotherapy: Volunteers must have volunteer experience in Recreational Riding classes, and have successfully completed Hippotherapy Volunteer Training. These sessions are provided by occupational therapists or physical therapists who have completed AHA (American Hippotherapy Association) certification. Volunteers follow the instruction of the individual therapist, rather than a recreational group instructor.
